DETAILED ACTION

Election/Restrictions

Newly submitted claims 29 – 30 and 32 – 33 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the newly submitted claims are directed to distinct embodiments that are not encompassed by the originally presented claims and will require at least further consideration.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 29 – 30 and 32 – 33 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Allowable Subject Matter

Claims 20, 24 – 25 and 31 are allowed.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the Applicant's Remarks filed July 26, 2010 are considered persuasive, see especially page 11, 2nd paragraph to the end of page 12, with respect to the prior art references failing to teach the required layer between the first and second layers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michele Kidwell whose telephone number is 571-272-4935. The examiner can normally be reached on Monday thru Friday.
